

NEW ACCOUNT INSTRUCTIONS

The Archdiocese of Indianapolis has chosen a new platform for maintaining all student data. We appreciate your patience as we make this change. Please follow below to create your account(s).

1. Open the internet browser on your computer
2. Type <https://archindy.powerschool.com/public> into the address bar
3. Click on "Create Account"
4. Enter your information, your email address and a password of your choice to create your account.
5. Then LINK TO STUDENTS ACCOUNT: Type in your child's name, access id _____ and access password _____ exactly as they are printed (both are case sensitive). ** Each child has a different access id and access passcode. If you have more than one child you will have multiple letters with individualized access id and passcodes. You can add all students when you create your account.
6. You will need email access to verify your account once it's created.
7. Remember to log off when you are finished.
