

Uniform Code

We believe a uniform code is appropriate for our school environment. Student dress has a direct influence on attitude and behavior. A dress code eliminates competition of student dress and allows emphasis to remain on the learning process.

There are two distinct uniforms in our code: Formal day uniform and daily uniform. We collaborate with Tommy Hilfiger for school uniforms. Students are required to purchase only certain uniform items from the uniform company. Those items are indicated with an asterisk in the descriptions below. This ensures a uniform look among our students. Tommy Hilfiger makes it convenient for Saints Francis & Clare of Assisi Catholic School students to shop online. Uniform pieces from Land's End that were purchased during the previous years may be used as part of the formal uniform and will gradually be phased out. Please note that skirts from that line must follow guidelines of appropriate length.

Formal Day Uniform

Faith In Action/Spirit Days

One day each month will be dedicated to a Faith In Action Day as a way to display pride in our school and build our community. Students may also wear Catholic high school attire on Faith In Action Days. CYO team shirts may be worn on spirit days. Faith In Action and Spirit days will be announced in the Wolf Report.

Uniform Notice

Because the uniform code is about self-discipline and structure in the school environment, children not wearing proper uniform attire will be given a uniform notice. The notice serves as communication between home and school regarding uniform code infractions. These include but are not limited to: un-tucked shirts, improperly styled uniform pieces (shirts, pants, shorts, belts), no belt, incorrect socks, and incorrect Mass day uniform articles. Notices will be sent through PowerSchool. Repeated offenses will be handled in the school office.

The principal or designated staff person reserves the right to determine appropriate and inappropriate school dress and appearance. In the event that inappropriate attire is worn or a child is not dressed according to the dress code and/or guidelines presented for "out of uniform" days, parents will be contacted via telephone and requested to bring appropriate clothing.
